PERFORMANCE BOND REQUIREMENT

| | | |
|-----|------------------------------|---|
| 7a. | Performance Bond Requirement | <p>If none of the answers provided direct you to “go to #7b” then, if the department agrees with your answers and your application is approved, a Performance Bond <u>will likely not be required</u> prior to signing a grant agreement under the BPCP.</p> <p>Alberta Energy approval notice will advise if a Performance Bond is in fact required.</p> |
| 7b. | | <p>If you provided at least one answer that said “go to #7b” then, if your application is approved, a Performance Bond <u>will be required</u> prior to signing a grant agreement under the BPCP.</p> |

AGREEMENT AND DECLARATION BY APPLICANT

If a Performance Bond is required I understand the following:

1. That the Performance Bond will be in the form of a financial instrument acceptable to the Government of Alberta and will be due upon signing of the grant agreement or within 45 days of a grant agreement being offered;
2. That the amount of the Performance Bond will be equal to 25 per cent of the approved annual grant for the first full year of operation under the BPCP, as set out in the grant agreement, which will normally be the year following the year in which production commences;
3. That the Performance Bond will remain in place until Alberta Energy is satisfied that the requirements which preclude the need for a Performance Bond have been met;
4. That if the agreement is terminated prior to the above requirements being met, the Performance Bond shall be forfeited to the Government of Alberta; and
5. That any terms and conditions set out in the grant agreement which pertain to Performance Bonds shall prevail upon execution of the Grant Agreement.

Please mark the checkbox and sign below to confirm you understand what is required if a Performance Bond may be required.

If my application is approved, I understand the above obligations and terms relating to a Performance Bond.
