INFORMATION BULLETIN 97-02

Subject: Reporting Deadline for APMC-600 Series Forms for the Delivery Month of February, 1997

This Information Bulletin serves as notification of change in the published reporting deadline for APMC-600 series forms for the delivery month of February, 1997. The section of the "APMC Natural Gas Reporting Guide" entitled "Reporting Deadlines" incorrectly states that completed APMC-600 series forms for the delivery month of February, 1997 must be submitted to the Alberta Department of Energy by March 31, 1997. We advise that the reporting deadline is actually **April 1, 1997**.
