Instructions:

- i) Always complete Part 1.
- ii) (a) In Part 2, check the **No Pipeline Connection** box (*field 2.5*) if the AEUB facility is not connected to a pipeline or the **Not Included Pipeline** box (*field 2.7*) if the AEUB facility is not connected to an included pipeline, and complete Effective Prod. Month (*field 2.13*) or Termination (Prod. Month) (*field 2.14*).
- (b) If the **No Pipeline Connection** box (*field 2.5*) or **Not Included Pipeline** box (*field 2.7*) are not checked, complete all other fields in Part 2 for facilities that are directly connected to an included pipeline. Included pipelines are:
 - Nova Gas Transmission Ltd.
 - Northwestern Utilities Limited (operating as ATCO Pipelines)
 - ATCO Gas and Pipelines Ltd. Formerly Canadian Western Natural Gas Company Ltd., operating as ATCO pipelines.
 - Westcoast Transmission Company (Alberta) Ltd.
 - AEC Suffield Gas Pipeline Inc.
 - Alliance Pipeline Ltd. Partnership
- iii) To make changes to information already submitted, complete Part 1 and amend only the applicable part(s) of the TC20 and submit.
- iv) The TC 20 must be submitted by the last day of the month following the month of production.
