-
-

-
-
-

The draft royalty regime implementation schedule shows the new regime being implemented in either 2000 or 2001

Lighter shading indicates contingency required if start date is modified

-
-
-

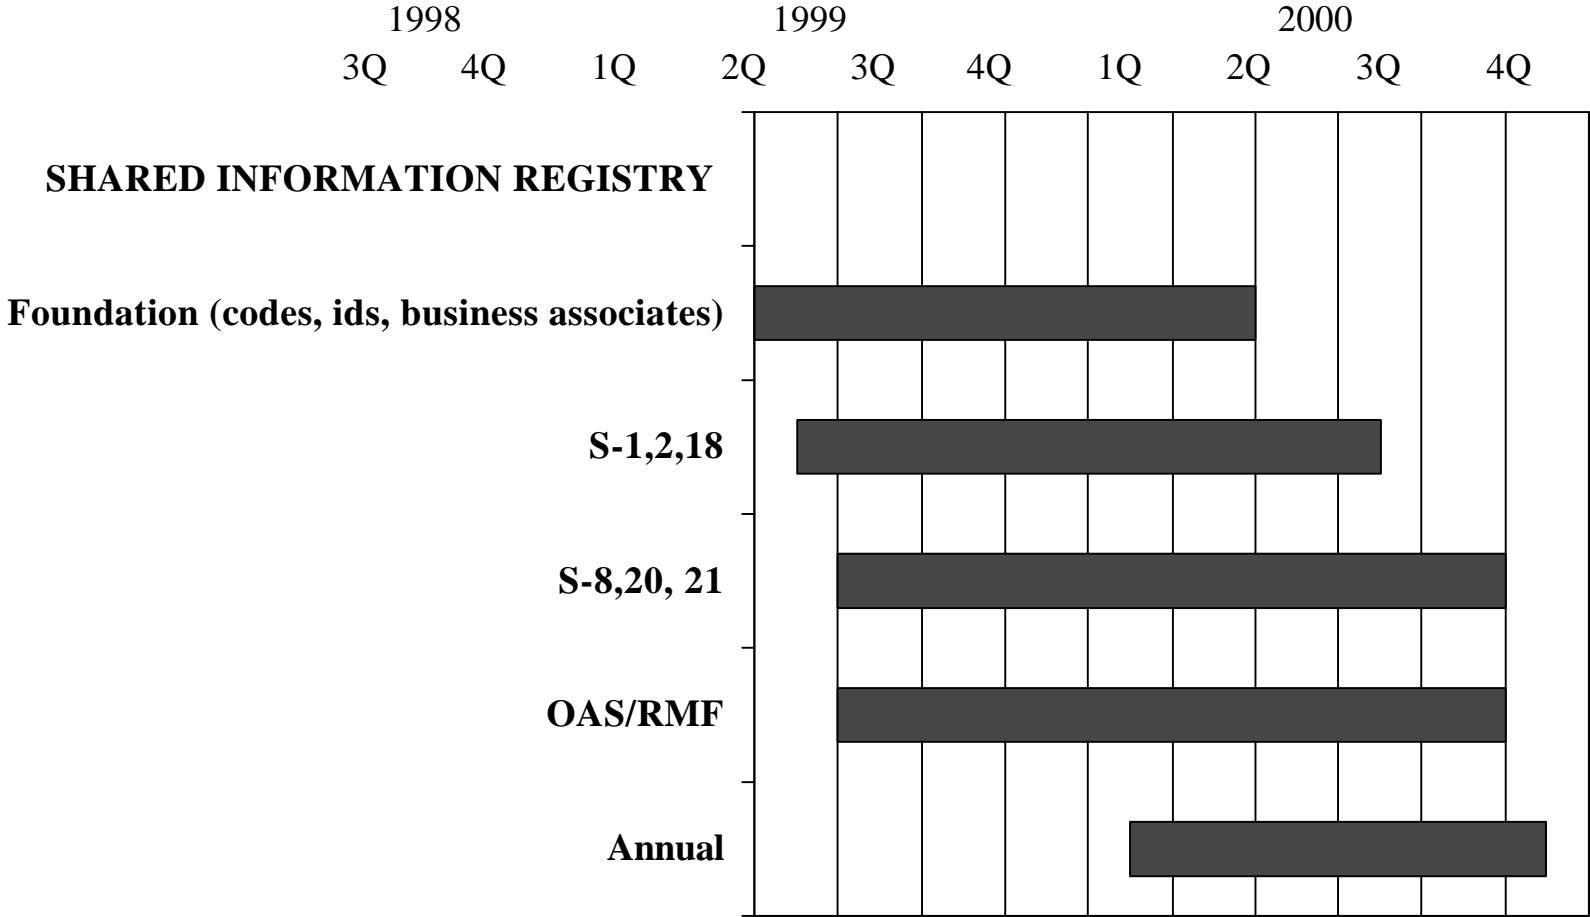

The draft implementation schedule shows the S/OAS Integration being implemented in second quarter 2000

-
-
-
-
-
-
-
-

-
-
-

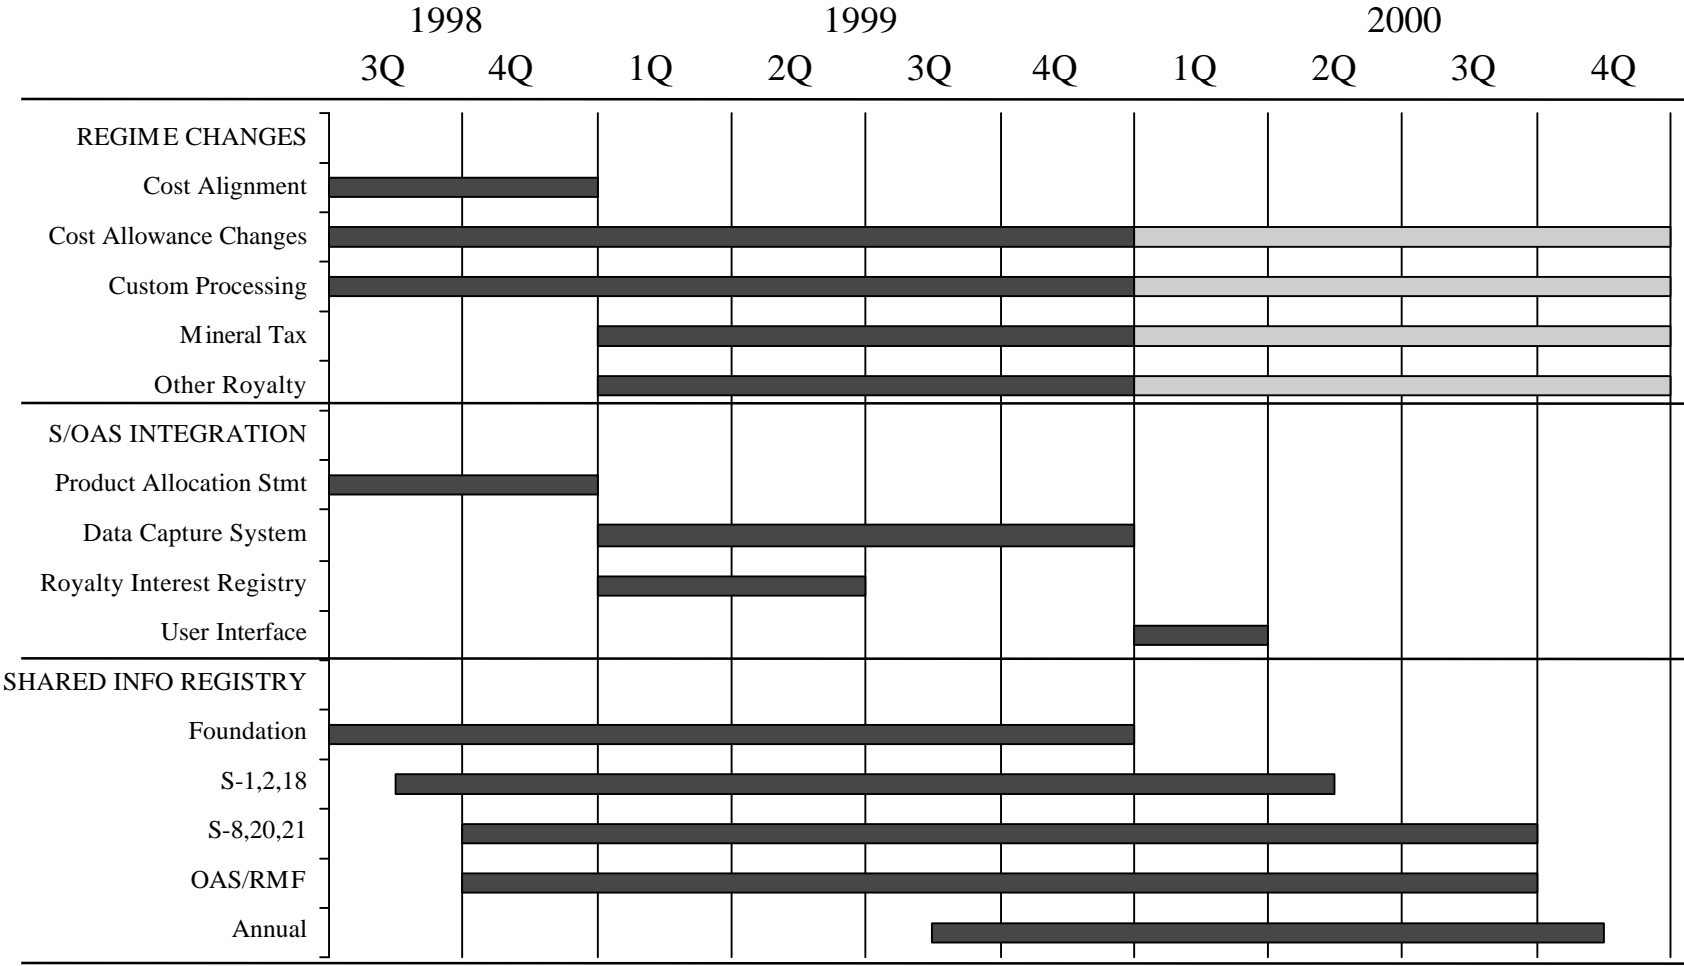

The draft implementation schedule shows the Shared Information Registry being implemented in fourth quarter 2000

-
-
-
-
-
-
-
-

-
-
-

The consolidated draft schedule shows all recommendations, the new royalty regime, S/OAS Integration and the Shared Information Registry, being implemented by end of the year 2000
