INFORMATION BULLETIN 2014-01

Subject: Alberta Royalty Framework Transition (ARF-T) Rate Termination

Effective January 1, 2009, the ARF-T rate could be elected for a new well that was spud on or after November 19, 2008, and on or before December 31, 2010. Qualified well events calculated royalty using the ARF-T rate formulae instead of the Alberta Royalty Framework (ARF) rate formulae. The ARF-T rate expired on December 31, 2013.
