INFORMATION BULLETIN 2007-01

Subject: Certification Statements for Oil and Gas

Alberta Energy, in consultation with industry representatives, has determined that the Certification Statements for oil and gas that the Department of Energy uploads to the Petroleum Registry of Alberta are no longer required. The Certification Statements duplicate information currently available on the Petroleum Registry of Alberta.

As a result, Alberta Energy will discontinue as of January 1, 2007, the creation and uploading of the Certification Statements to the Petroleum Registry of Alberta.
